DESCRIPTION:

Azizi Wasel. Contemporary Elegance in the New Heart of Dubai. **Azizi Wasel was born as a new symbol of style, modernity and comfort in the heart of Dubai. Residential project that combines refined architecture.** International design and a quality of housing designed for those seeking a more evolved way of life, connected and full of exclusive services. **The building, located directly in front of the Water Market and close to the future area dedicated to the new yacht club, enjoys a strategic location just minutes from the beaches of Deira Islands,** the prestigious Centara and RIU Hotels, Dubai Hospital, the International Airport and the main shopping centers. **Residences include studios, one-bedroom apartments, three-bedroom apartments, four-bedroom apartments, and panoramic penthouses.** Each designed with bright spaces, premium finishes, essential lines, and private outdoor spaces. Terraces, balconies, large living areas and well-distributed layouts define a contemporary conception of living, where aesthetics and functionality coexist in perfect balance. The penthouses on the 12° and 13° floors, featuring large terraces and **external jacuzzis, represent the project's highest expression,** with open views and interior volumes with a strong scenic impact. In addition to residences, Azizi Wasel offers a world of services dedicated to well-being and sociality. Coffee lounge, restaurant, gym, private cinema, children's play area, swimming pool, Turkish bath and sauna, games room, reserved parking, large green spaces. **Concierge active 24/7. The Club House,** the beating heart of the community, creates an elegant, welcoming, and international environment, ideal for meeting, working, or simply enjoying your free time.
