DESCRIPTION:

Villas and residences of Ras Al Khaimah. Anantara- Mina Ras Al Khaimah Residences. **Luxury by the sea in the new UAE hotspot.** Anantara Mina Residences is born on the beautiful coast of Ras Al Khaimah, directly overlooking the Arabian Gulf. An exclusive residential project that brings the excellence of the Anantara brand to the world of luxury living. Located on the prestigious Mina Peninsula, just minutes from the new international casino resort. The complex is in a booming elite tourist area, perfect for investing or living in a unique setting. Residences include **apartments of various types**, elegant suites, spacious one- and two-bedroom apartments, and refined three-bedroom duplexes. For those seeking **maximum privacy**, magnificent three, four and five-room villas are available, **all featuring a private pool, garden, observation decks and individual boat dock. The interiors feature a contemporary design that blends Thai and Arab inspirations, with floor-to-ceiling windows offering spectacular sea views and extraordinary natural brightness.** The entire community is immersed in nature, framed by parks and over 2 million square meters of protected mangroves, creating a serene, refined, and sustainable environment. Excellent services complete the offer: direct access to the beach, wellness and fitness areas, scenic routes, H24 security, concierge and all the quality of Anantara hospitality. A beneficial 20/80 payment plan is available for a limited time, with delivery expected in 2028. ?
