DESCRIPTION:

Skygate Tower by Tiger properties. VERTICAL LUXURY IN THE HEART OF JUMEIRAH VILLAGE TRIANGLE. Skygate Tower, designed by Tiger Properties, is a **new 43-story architectural icon located in the exclusive Jumeirah Village Triangle**. A project that harmonizes modern design, nature and comfort, creating a serene oasis perfectly connected to Dubai Marina, Downtown Dubai and the city's main arteries. **Surrounded by lush green spaces, landscaped concourses and wellness areas, SkyGate Tower offers an ideal balance of tranquility and urban living**. The interior, refined and designed for elegant simplicity, creates a fresh, bright and welcoming environment. The tower offers a wide selection of high-end residences: fully furnished studios, one- and two-room apartments, and spacious three- and four-room duplexes, designed to meet the needs of professionals, families, and investors. **Delivery expected in 2028**. A great focus on services elevates the quality of life of residents: panoramic pool, equipped gym, wellness areas with sauna, Turkish bath, massage room, jacuzzi, ice plunge pool, jogging tracks, sports fields, barbecue areas and children's play areas. A vertical retreat where luxury, nature and comfort find their best form. For information on availability and purchasing opportunities, please contact us directly.
