DESCRIPTION:

Trump International Hotel and Tower. **Directly on Sheikh Zayed Road is one of the new architectural masterpieces destined to redefine vertical luxury in Dubai. Trump International Hotel and Tower, an 80-story residential tower designed by an international brand synonymous with luxury, exclusivity, and elite lifestyle.** From the massive private lobby to the suspended residences above the city, every element of the project is designed to offer an uncompromising living experience. **The 400 residential units, distributed from 18° floor up**, include 2- and 3-bedroom apartments and a very rare collection of 4-bedroom duplex penthouses. Real panoramic jewels placed on the highest floors of the tower. The living spaces are distinguished by their refined lines, modern geometries. Spectacular views of downtown Dubai, the Dubai Fountain and the sea. Environments large, bright and designed with an aesthetic care that expresses international elegance. **The service offering lives up to an iconic residence. Infinity pool all'80° floor overlooking the city, high-end spa, professional fitness areas. Reserved lounges and access to Dubai's most exclusive private club.** All dedicated spaces are separate from those of the hotel, guaranteeing absolute privacy for residents. **The location is among the most sought-after and strategic in Dubai:** directly on Sheikh Zayed Road, with immediate access and impeccable connections to Downtown, the sea and all the city's main destinations. Trump International Hotel and Tower isn't just a building: it's a new landmark for those who want to live in an iconic, refined, and perfectly connected environment.
